**Profile**

University College of Engineering, BIT Campus, Anna University, Trichirappalli – 620 024 provides accommodation to students wishing to reside in the hostels. Hostel administration is an independent unit in respect to its internal administration under the overall supervision of the Hostel administration headed by the Warden (Dean) followed by Executive Warden, Deputy Wardens (Boys and Girls Hostels) and Residential Tutors. The Non - Teaching staffs and Steward in all matters relating to the hostel were who actively take part in hostel day to day affairs.

There are four Boys hostels in UCE, BIT Campus accommodating 1300 students approximately every year and three Girls hostels accommodating 1200 students approximately. Each hostel has a Hostel Committee which is an advisory body comprising the warden of the Hostel and student secretaries as its members. The hostel committee plans the students' activities like sports, recreational and other social activities of the students through the respective student secretaries. First year students are allowed to stay in separate block to ensure that there is no ragging in hostel premises.

The Hostels Offices is located within the hostel premises and managed by Executive Warden and Deputy Warden's of hostels, Clerical staff members in matters related to the various activities of the hostel. The office maintains all the files, registers, records, ledgers, account books, supplier's bills, payment registers and etc., pertaining to the hostel residents, mess as well as the employees. The hostel office functions all the days.

Every student who has been admitted to the institute is required to pay the prescribed hostel rent and establishment charges along with a refundable hostel mess caution deposit.

Each hostel is RO water and hot water facility is installed in hostels for drinking purpose. A number of recreational, sports and social activities like student nursery garden take place in the hostel during the academic year. Students can relax in the evenings or on holidays or spend their leisure time in the common room which is equipped with a T.V. in each hostel building.

For the benefit of the students staying in the Hostel, the system of study-hour (09.00 pm to 10.00 pm) has been introduced from this academic year.

An external security (TEXCO) is contracted for providing security at the hostels. The service of the security personnel are monitored by the Warden.

The Hostel Secretary acts as the Secretary of the Hostel council, ensures proper maintenance of the hostel premises and coordinates the activities of the other secretaries. The Mess secretary works in connection with the mess staff members towards planning of the menu and maintenance of hygiene in the kitchen and the mess hall. The student President (Secretary) and his team are responsible for managing student's amenities and other facilities of Hostels.

The messes are run by the student committees with the support of Hostel Administration. The mess bills are shared by the inmates in **No loss No gain basis (Dividing system)**.
