

Indian Institute of Chemical Engineers (IChE)
DEPARTMENT OF PETROCHEMICAL TECHNOLOGY
ANNA UNIVERSITY, UCE-BIT CAMPUS
TIRUCHIRAPALLI-620024

Indian Institute of Chemical Engineers (IChE) students chapter started in the year 2015 by the department of Petrochemical technology, Anna University, Tiruchirappalli. Dr.S. Venkatesan, Professor, Department of Chemical Engineering was the Staff in charge for IChE student chapter from 2015 to 2020 period. From 2021 onwards Dr.E. Gomathi, Assistant Professor is taken over as coordinator for student chapter

Undergraduate Students of Petrochemical Technology are become students' members in the first year by applying through online by paying the fees and they have attached with Student chapter of BIT campus. Student Chapter of BIT campus functions under Annamalai Regional Centre.

The Student Chapters organize lectures, seminars, workshops, short courses, plant visits, career counselling programmes, etc., at regular intervals to better equip and empower the students for their ensuing professional life once they come out of their academic precincts. Academic activities apart, Student Chapters also organize cultural events and sports activities for their members.

They serve as an open forum for their members, who regularly gather for informal get-togethers and exchange of notes. The Regional Centres also confer awards, prizes and scholarships.
