PTEL Open Online courses were initiated so that students anywhere can directly learn from faculty in top colleges. While enrollment and learning is free, students can also obtain a certificate from the IITs, based on successful completion of an exam, for which there is a nominal examination fee. Online learning offers a new way to explore subjects that one is passionate about.

Students will Learn for free, Learn Together and Learn from the Experts The courses have no eligibility criteria and are open to anyone and everyone. Students can review and assess their progress and directly interact with course instructors to understand concepts better An optional in-person proctored certification exam is offered at the end of the course to earn certificates from the IITs
